EXAMINER'S AMENDMENT

Claim 4 has been amended to correct the dependency. A claim cannot depend from itself.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the Claims

In claim 4, line 1, change "4" to ---1---.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: The claimed cleaning apparatus defines a unique device not disclosed or fairly taught by the prior art. In particular, a pig catching chamber with pushing ram combined with a pig conveyor unit, including all the particular structure claimed such as support arms, guide rails, etc. , is not taught or fairly suggested by the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
